Very Especial Inducements in Fine Suits and Overcoats.

Small Amounts Lay for Them.

No store could have such smart styles in suits and overcoats, everything the latest, prevailing fashion, that encumbered itself with the models of a past season. Therefore, we have a certain time spring and fall which mark the beginning of a general exit, and that time has arrived. After Thanksgiving Day, the men's clothing is materially lowered so that we may be rid of it and devote ourselves to the spring preparations.

Naturally, the finest Suits and Overcoats are the best inducements, and the man who has been accustomed to paying from \$15 to \$20 can get the same garments for very much

less, all of which we'll gladly charge and accept in payment the smallest sums, weekly The Overcoats that Sold at 17.50 for
